

GO PROGRAM
**Prescriptive HVAC Incentive
Application Form - Chicopee**
Toll Free Hotline: 844-371-6704

Program Overview: The GO Program Prescriptive HVAC Incentive Program is designed to expedite the processing and installation of typical HVAC energy efficiency opportunities in commercial, industrial and non-residential buildings. Incentives are offered to promote the installation of premium efficiency HVAC equipment and offset the incremental cost of such systems over standard replacements.

Incentives are capped at 50% of Installed Costs up to \$25,000.

4 Easy Steps to receive your GO Incentive:

1. Is your project eligible?

- Equipment must be new and installed in a non-residential building located in a participating Massachusetts Municipal Utility Territory.
- Installation completed, or to be completed, within current program year of **January 1, 2021 to December 31, 2021**. Applications must be received within the current program year to qualify for incentives.

2. Is the equipment you intend to buy eligible?

- Only the exact product types and minimum efficiency levels listed in this form are eligible for prescriptive incentives.

3. Complete and sign the application.

- *Incomplete applications will delay review and payment.* **Please be sure to provide all requested information.**

4. Pre-Approval is required for all incentive applications:

- **Before** you purchase and install the equipment, send the following to the GO Program in order to receive a “pre-approval incentive” letter:
 1. Your application with all requested information filled in.
 2. Manufacturer’s technical specification sheets (“cut sheets”) for each type of eligible equipment purchased.
 3. A copy of your most recent electric bill
*Please note that item 2 above **must** be submitted in order for your application to be processed.*
- After you have purchased and installed the qualified equipment, return the following to the GO Program:
 1. A signed copy of your “pre-approval incentive” letter.
 2. A copy of your invoice showing the date and place of purchase and model/part numbers of the equipment installed.
 3. **Invoices must be submitted within 60 days of invoice date.**

Please note: In order to receive an incentive from the GO Program, invoices and manufacturer’s technical data sheets (“cut sheets”) will always be required.

Application Submission: Submit the application and appropriate documents using one of the following methods:

Pre-approval is required for all incentive applications. See page 1 of application for steps to be pre-approved. Incentives are capped at 50% of installed costs up to \$25,000.

See program description for maximum incentive allowed. To qualify for the incentive:

- Equipment must be new and installed in a non-residential building.
- Installation is completed within current program year of January 1, 2021 to December 31, 2021.
- Applications are received within current program year of January 1, 2021 to December 31, 2021.
- Invoices must be submitted within 60 days of invoice date. Note: Invoices for projects completed in December 2021 must be received by January 31, 2022.
- Fill out entire application and provide the following:
 - Manufacturer's technical specification sheets ("cut sheets") for each type of eligible equipment purchased
 - Copy of your most recent electric bill
 - Copy of your invoice showing the date and place of purchase and the model/part numbers of the equipment installed
